Remarks

This amendment responds to the Notice of Allowance mailed February 3, 2006 for the application captioned above. By this amendment claims 9 and 55 are amended to correct typographical errors of the Examiner's amendment. The following remarks are respectfully submitted

The Applicant is grateful to the Examiner for preparing the Examiner's amendment and respectfully presents the amendments herein only to correct typographical errors thereof. Thus, the amendments add no new matter, present no new issues of patentability, and should be automatically allowed after a quick study.

Applicant believes no fee is due to enter the present Amendment. The Commissioner is hereby authorized to charge any additional filing fees required to Deposit Account No. 061910.

Respectfully submitted,

Dated: April 7, 2006
